

PRESS RELEASE

ASIAMEDIC LIMITED WELCOMES RETURN OF DR KHOR CHIN KEE TO THE ORGANISATION AS A NON-EXECUTIVE DIRECTOR

Singapore, 23 September 2010 - AsiaMedic Limited (“AsiaMedic”), a public-listed wellness and advanced diagnostic company, is pleased to welcome back Dr Khor Chin Kee to the organization as a member of the Board of Directors. This appointment is effective from 21 September 2010.

Dr Khor was the CEO of AsiaMedic from July 2007 to March 2010 and commented, “I am delighted to have been invited back to AsiaMedic Board as a Director. I look forward to the opportunity to be involved in AsiaMedic’s continuing efforts to grow and develop in the healthcare sector and further affirm the quality of care delivered by AsiaMedic.”

Making the announcement today, Mr Andi Solaiman, Acting Chief Executive Officer of AsiaMedic said, “The Board is pleased that Dr Khor is able to return to the organization. His in-depth knowledge and experience in the Company and the healthcare industry will be beneficial to our business and will contribute strategic direction, focusing on growth and initiation of innovative medical services for AsiaMedic.”

Note to editors:

A photograph of Dr Khor Chin Kee is available upon request.

AsiaMedic Limited

AsiaMedic Limited (AsiaMedic) is a public limited liability company listed on the Singapore Stock Exchange and headquartered in Singapore. Its focus is on the management of specialised ambulatory medical and clinical services in the fields of disease prevention and early illness detection. It does this both independently by utilising integrated cutting-edge medical technologies and by providing a team of highly qualified and reputable clinical professionals at its various clinics or in collaborative partnership with top specialists.

The services provided by AsiaMedic include but are not limited to wellness and lifestyle management which offer health risk assessments and screenings: 24-hr BP monitoring, anti-aging programmes under personalised counseling and prescription of hormone therapy where appropriate, for optimised healthy aging and wellness; advanced diagnostic imaging which offer general and subspecialty imaging such as cardiovascular, neuroradiological, ENT and musculoskeletal imagings, PET/CT imaging for diagnosis, staging, localisation and monitoring progress of cancer.

Being a premier one-stop specialist medical healthcare provider, and by adhering to its core values of competence, care, convenience and collaboration, AsiaMedic has succeeded in achieving positive experiences and clinical outcomes for its patients.
